LJ Woodard has been actively coaching young actors since 2005 and has a very playful and unique approach to teaching kids and teens. Firstly it's by creating a comfortable atmosphere, free of judgment where the actor feels capable to create moments and challenge themselves without harming the personal spirit. Allowing kids to be kids while delivering great performances!

- Script Analysis
- Character Development and Breakdown
- Preparation Techniques
- Relaxation Exercises
- Improvisational Warm ups
- Energy Build Up
- Team Building and Ice Breakers
