ATTN: HUMAN RESOURCES MANAGER  
MANITOBA MOOSE  
WINNIPEG, MANITOBA

---

To The Manager of Human Resources,

I am recently back on the job market and luckily stumbled upon the Manitoba Moose's need for a Video Content Coordinator just in time to submit this application. I have been searching for jobs with NHL, AHL and CHL clubs for the last few weeks and would love the opportunity to contribute to the continued success of such a prestigious club. Please allow me to briefly introduce myself.

I am a seasoned Director of Photography, Camera Operator and Editor and hold a bachelor's degree in Filmmaking. My experience is comprised of commercial, narrative, and documentary production and I am looking for an opportunity to immerse myself fully into the world of hockey. I am accustomed to high-pressure work with tight timetables and wearing multiple hats on a set or in an editing suite. I have good knowledge of the sport and am excited to work in a space where I can focus on creating immersive and engaging content for a sport that I have become so fond of. I am incredibly flexible, adaptable, and willing to relocate. I eagerly await an opportunity to further discuss this position with you and look forward to your response.

Sincerely,  
Brandon Marks
