Qualifications Summary

- **Film and Television Production:** Knowledge of film and video projects from inception to completion, including: research, location scouting, scriptwriting, coordinating shoots, producing, camera operation, sound production, and my personal favorite, editing.
- **Administration and Communication:** Effectively organized projects, including: contacting on-screen subjects, travel arrangements, confirming filming locations, obtaining permits, logging footage and tracking receipts. Worked in both office and on-location settings. Communicated directly with agents and talent.
- **Technical Proficiencies:** Adobe Premiere, Final Cut Pro, iMovie, MS Office, email, Twitter, Instagram, Sony Digital Video Cameras and office equipment. Proficient on both Mac and PC.
- **Strengths and Accomplishments:** Enthusiastic and creative; self-starter; able to meet deadlines and objectives; can work independently or with others. Excellent organizational talents. Perfectionist. 4.0 GPA in film coursework.
