Qualifications

My skills range from producing and directing all facets of video and media production. Including, but not limited to, concept development, location management, schedule planning, talent management, organizing and archiving all short/long form assets. Set design/construction, grip/electric, digital videographer/D.P., Boom Operator/3rd Utility. As an Editor I work with FCPX, Motion, Adobe Premiere, After Effects, and coordinating all aspects of post-production.

Education

Graduated from Virginia Commonwealth University with a BFA in Communications Arts & Design/Electronic Media/Film
