PROFESSIONAL SUMMARY

Graduate of Film Production and Content Development, possessing a blend of ambition and enthusiasm, and seeking a career that brings opportunities to grow and learn in my chosen field. Possessing an eye for detail combined with strong communication and people skills, I bring a desire to learn and work with a team, in Production Design and Props Master work, contributing to the overall success of the project.

SKILLS

- Attention to detail
- Creative/artistic
- Team player
- Performance-driven
- Dependability
- Project management
- Time management
- Strong work ethic
- Excellent communication
- Technical aptitude
- Mechanically inclined
- Outstanding people skills

EXPERIENCE

Production Designer and Art Designer

May 2021 - April 2022

Liberty University Short Film, "Dorm 13" | Danville, Virginia

- Designed sketches of prop weapons, set dressings, and location lay-outs.
- Hand-crafted custom built four barrel prop gun and book prop.
- Designed and coordinated set dressing for three locations.
- Planned effectively for space constraints and safety concerns at each location.
- Constructed quality, durable pieces by selecting optimal lumber and hardware.
- Prevented production problems by observing sets in rehearsals and making proactive adjustments.
- Designed multi-use displays for continued use in interior spaces and event locations.
- Created realistic, period-appropriate sets to represent the production.
- Met exhibit specifications with well-designed and constructed supports, cases, and display walls.
- Showed preliminary designs with artistic renderings.
- Designed video game cover and tee shirt logo for movie set restaurant,
- Achieved design targets consistently by smoothly coordinating each stage of construction and decoration.
- Coordinated efficient dismantling of sets after use.
- Planned appropriate places to display individual objects based on script and design plans.

Assistant to Production Designer

March 2021 - May 2021

ReelWorks Studios Film: "The Mulligan" | Toccoa, Georgia

- Collaborated with Key Production Designer, Props Master, and Set Dresser on both the film set and in props shop.
- Crafted green screen walls, motor cross ramps, and false walls.
- Painted artificial brick on golf tee platforms.
- Assisted in acquiring materials for the specific scenes.

- Designed the "Hero" logo for the featured company in the film.
- Utilized Photoshop and Illustrator during production.

Production Designer/Set Dresser/Special Effects Makeup
Liberty University Short Film, "Rose" | Lynchburg, Virginia

September 2021

- Collaborated with film director to design overall interior and exterior sets.
- Crafted prop book and logo design.
- Planned effectively for space constraints and safety concerns at each location.
- Dressed set location and planned appropriate places to display individual objects based on script and design plans.
- Achieved design targets consistently by smoothly coordinating each stage of construction and decoration.

Film Team Member

February 2019

Liberty University Film Festival | Lynchburg, Virginia

- Collaborated with a team to assemble a cast, create a story-line and film in five hours. Condensed the footage into a short film, created sound, lighting, and visual effects, assisted in final editing, submitted and presented to the cinematic department directors for review.
