THE PULITZER CENTER; BANGLADESH, 2021

Grant funding to explore the impact of Covid school closures on Bangladesh's child labor crisis, published in TIME magazine and the Dhaka Tribune.

GIRLS NOT BRIDES; BANGLADESH, 2021

The organization provided a reporter and I with funding to spend almost a year investigating the link between child marriage and sex trafficking across four government licensed brothels in Bangladesh. The work was published in Elle, The Telegraph, Foreign Policy, The Guardian, and Dhaka Tribune. Our investigation led to child marriage being recognized as a direct link to human trafficking in the USA annual Trafficking in Persons report.
