### OCEAN RESCUE LIFEGUARD

#### *Town of Wrightsville Beach Fire Department*

**May 2010 - Present**  
**Wrightsville Beach, NC**

- Held both Full-Time and Part-Time positions as a member of a 45-person team of Ocean Rescue professionals.
- Assigned daily to a lifeguard tower, patrol vehicle, or vessel to provide intense surveillance of all areas of responsibility.
- Participated in daily physical training and maintained a high level of physical fitness, running, and swimming ability to perform water rescues in all water conditions up to and including gale force winds associated with an approaching hurricane.
- Extensive first responder emergency medical care knowledge, including using AED's and performing CPR under stressful circumstances.
- Exceptional initiative and independent judgment was required to perform work assignments while being exposed to hazardous conditions and potential life-threatening situations.
- Provided technical direction to lifeguard trainees by instructing in lifeguarding techniques and safety practices and participated in continuing training and instruction in open water rescue techniques, first responder medical care, and disaster response.

**MARINE CAPTAIN**  
*Shearwater Fishing Charters*

**Apr 2021 - Present**  
*Wrightsville Beach, NC*

- Experienced Charter Captain with years of commercial fishing experience.
- Extensive knowledge and experience navigating local waters in various tide and weather conditions.
- Steer and operate vessels using marine electronics such as radios, chart plotters, depth finders, lights, etc.
- Inspect vessels to ensure efficient and safe operations.
- Prioritized safety of all passengers and crew members.
- Assisted clients with bookings and tailored charter excursions to specific client needs.

**WILDLAND FIREFIGHTER, ROOSEVELT INTERAGENCY HOTSHOT CREW**  
*USDA Forest Service, Roosevelt National Forest: Canyon Lakes Ranger District*

**Apr 2016 - Oct 2018**  
*Fort Collins, CO*

- Member of a 20-person highly trained and specialized fire suppression Interagency Hotshot Crew.
- Responded to the hottest and highest priority portions of the fire line while operating under the pressure of unpredictable and constantly changing weather, fuel, terrain, and fire conditions.
- Suppressed the full range of difficulty and complexity of fires.
