EXPERIENCE

FIELD/SUPERVISING PRODUCER 2006 - present

As a Supervising Producer, I'm a key part of physical production. My job includes directing multi-cam, cultivating relationships with talent, streamlining creative, supervising crews/production team on location and collaborating with post-production. I write extensive beat sheets and outlines for episodes and conduct talent interviews.

SEGMENT/ASSOCIATE PRODUCER 2003 - 2006

As a Segment Producer, I'm a key part of pre-production. My job includes heavy research, writing and pitching, extensive pre-interviewing, collaborating with field team through physical production. I also write copy, supervise VO sessions and post-production of specific segments.
