originalmindproductions.com

I have been in the film, television and photography business for over 20 years and I am currently seeking freelance and contract employment opportunities in the Coastal Carolina area.

Work Experience

Original Mind Productions - 2005 to current - Owner/Director of Photography

Over two decades of various projects in the agriculture, science, technology, construction and lifestyle fields as the owner of this multimedia company. This included camera operation, directing, producing, photography, editing and drone operation.

Myriad Media - 2010 to 2013 - Director of Photography

Worked primarily as the director of photography with some producing credits in the science, technology and commercial production industry.

Fox Television - 2006 to 2008 - Director of Photography

Was the DP for a true crime television series titled " NC Wanted" through Fox Television in Durham, NC.

Freelance work - Varied from 2000 to 2015

Worked as a PA, Grip, Gaffer, DP, Camera Op, Photographer and Drone Operator on various productions across the US and internationally including reality tv shows, commercial productions, education, live events and films.
