BIO

Tara Feldstein Bennett, CSA moved to "Hollywood East" in 2006 and she quickly landed in a casting agency working with three casting directors. With over 9 years experience in southeastern principal location casting she has worked on more than 60 projects to date. Her keen eye for talent and tireless devotion to her craft has allowed her to become one of the youngest and most successful casting directors in the region.

Chase Paris, CSA got his start in Atlanta in 2007 as a theatrical agent and has seen the entertainment industry grow exponentially since. Making the jump to casting he's hit the ground running with such projects as Need For Speed, Max Steel, Revolution, and Sleepy Hollow. He hopes to continue to be a big part of the growing southeastern market for years to come!
